For Immediate Release

Calgary, Alberta: November 1, 2016

Hazloc Heaters™, a leading manufacturer of industrial unit heaters for hazardous and severe-duty locations, is pleased to announce the **introduction of a 3kW heater model, LED pilot light and continuous fan option on the XEU1 series of Electric Forced-Air Explosion-Proof Heaters.**

The **XEU1** series of unit heaters are designed for rugged industrial applications to provide primary or supplementary heating for comfort or freeze protection in areas that are classified as hazardous locations. **XEU1 heaters meet both CSA and UL Certification Standards to Class I & II, Div. 1 & 2, Groups C, D, F, & G and Class 1, Zones 1 & 2, Groups IIA & IIB.**

The three cabinet sizes of **XEU1** heaters include our **ExCaliber™** high performance air evacuated liquid-to-air heat-exchanger cores that are available in **35 model choices of voltage and heat output combinations** to meet customer specific requirements. The **XEU1** heater offers the highest outlet air temperature rise, on average, across the model range compared to other competitors' products.

The rugged and versatile **XEU1** heater incorporates a high quality immersion heater, high performance fan and motor assembly, a sturdy 14 GA steel cabinet with epoxy/polyester powder-coating for corrosion resistance, dual safety high limits, high-quality vent relief device, large control enclosure with an extra port for convenient wiring of an external room thermostat and enclosure O-rings to minimize moisture ingress. An added benefit is **Hazloc Heaters' 36-month heater warranty!**

Hazloc Heaters™ General Manager, Darren Ochosky, stated, **“The addition of the 3kW heater model, LED pilot light and continuous fan option is in response to customer demand.** We are dedicated to helping our customers grow and prosper by providing quality industrial heating products, technical expertise, and outstanding service. **Hazloc Heaters™** is committed to a high standard of quality and on-time delivery performance.”

Hazloc Heaters™ is based in Calgary, AB. For further information, please contact Darren Ochosky at 1-866-701-Heat (4328) or 403-730-2488 or visit **www.HazlocHeaters.com**.
